Presidents Report – BOD Meeting, July 8, 2017

The speeds in the Park are slowing down. Thank you to all members for making this happen. Please continue to drive slowly.

Thank you to Theresa Oberloh, the Activity Committee, and all the volunteers for so many great Park events this past 30 days. It was wonderful to see so many of us having so much fun.

The septic system bid should be here soon, which will allow TCCOM to start getting building permits approved by Sherburne County.

There are lots of new volunteers, Thank You. If you are currently not a volunteer, please consider signing up.

The By-Law ballots will be counted on Friday, July 14th.

Ice cream, anyone?

Save the date, Wednesday, July 19th, from noon until 1:00pm. The Schwann's truck will be at the Welcome Building handing out free ice cream samples. Schwann Products will be available for sale.

That is all for now.

Jim Beaudette, Board President

Park Manager's Report – BOD Meeting, July 8, 2017

What a great 4th of July Weekend! I don't think I've ever seen so many people enjoying our pool at the same time. In fact, the entire Park was busy with member parties, Taco-in-a-bag, Hole-in-one, Funkhana, 4th of July Parade and Carnival. It is greatly appreciated that everyone can have a great time with only a few rules infractions.

Shareholder Information Sheet

As many of you know, we've had several occasions so far this season when EMTs and ambulances were needed in the Park. To ensure the Office has a contact in case of emergency and that all other member information is up to date, we've created the Shareholder Information Sheet. This includes vehicle license plate and golf cart information for faster and less expensive administration of the Park. Please stop by the office to review your sheet prior to leaving for the season.

Updated TCCOM Directory on-line

The alphabetical, lot # and emergency sections of directory have been updated as of July 1st. That is where you'll find the most current directory information. It is located on the Member Tab, Park Communications drop down link.

"30 Day Rule"

From time to time, some members get an email from me pertaining to the "30 Day Rule" and some confusion arises from those emails. So, I thought I'd clarify the procedure I use.

Per your Rules, I check the park almost every week to ensure properties are kept up so the Park looks its best for members, guests and prospective buyers. I usually inspect at the beginning of the week to allow time for the office to contact those members who need to take action. We allow thru the following weekend (especially for weekenders) so members have time to act on the emails.

Since we give a week or more after the inspection before action needs to be taken, I have to visualize that lot one week into the future. If I was to wait until the lawn or weeds are really long, and then add another week to that, the lots (and Park in general) would look very unkempt.

Reminders:

- Most rules violations over the 4th of July weekend – especially speeding and driving golf carts -- were by guests. We also noted some kids with bicycles and scooters riding on the golf course cart paths by 6th and 9th hole the evening of July 2nd. It is your responsibility to know and educate family and guests of your rules. We don't want to put your guests into an embarrassing situation because either you or your guests violated your Rules.
- No ATV's are allowed in the Park
- Please do not use laundry pods or powder in the washing machines. They gum up our high efficiency machines and are bad for the septic system.

Special Lost Item

- We've had a complete set of golf clubs and bag for about a month that no one has claimed. Please come to the office to identify or it will be donated.

Winter Golf Cart Storage

You may sign up to store your golf cart over the winter in the Activity Building beginning August 1st. We can store about 35 golf carts.

Single Seat - \$65.00

Two Seats - \$90.00

Chuck McColgan, Park Manager

Maintenance Update – BOD Meeting, July 8, 2017

- The windows in the Clubhouse need repair or replacing. Bids will be brought to the BOD when they come in.
- Tree injections are done for the year and it came in \$4068 under budget.
- The Clubhouse has some water issues on the North side of the building foundation. I am working on ideas on how to resolve the issues. Those issues and some other areas may need mud or sand jacking. Also alterations to the downspouts are needed to correct the source of the problem.
- Design of the new septic system replacement is awaiting approval from the county. As soon as the approval comes back, I will update Jim Beaudette and Chuck McColgan, but it may be a couple of weeks before approval comes in. It may cost between \$15,000 and \$25,000 to put in the new septic system.

Marty Abel, Maintenance and Golf Course Manager

Safety and Security Notes

The Safety and Security Committee of volunteers would like to wish you all a safe and healthy Summer and Fall!

In coordination with the Board, the safety and security committee have taken the following actions that are currently implemented or will be implemented over the next few months.

- Implementing the rule to allow only those with valid driver's permits or licenses to operate a golf cart within the park. (no drivers under the age of 15 will be allowed to drive). All riders must be seated within the cart. (effective 8/11/17)

- To prevent those that do not belong in our park from using its services, volunteers from the Safety and Security committee will be driving or carting throughout the park at various times. If an owner notices anything strange or that should not be taking place, please report your findings to those volunteers, the Park Manager, or the office. The volunteers will be wearing orange vests with a yellow button that will identify them. For the most part, they will be out in the park during busy holiday periods. Otherwise continue to bring your concerns to Chuck McColgan, our park manager.
- The Safety and Security volunteers will also be monitoring excessive speeds of carts and vehicles coming and going through out the park. Speed timing lines have been painted at the park entrance and at the maintenance building, and these will be monitored by camera and at times in person. Those areas have been identified as being the most dangerous. Those areas subject park owners and the maintenance staff to the largest possibility of harm. *Please observe the State of MN and park speed rules and prevent serious accidents from happening.* 😊

One of our Committee volunteers has researched various pricing from retailers throughout the area that sell both CO2 detectors and fire extinguishers - (those retailers are listed below) The pricing at this time may be up to 3 weeks old when "Wheels" is published. Therefore, the prices are not guaranteed as current. If you do not have a CO2 detector, or fire extinguisher, or if the ones you have are outdated and old, for your protection, our committee strongly recommends you obtain and place one or both of these in your homes. At a date yet to be determined, the fire department will be asked to demonstrate the proper use of various types of fire extinguishers for various types of fires within your homes. Once this time and date has been established it will be posted at the club house and in the "Wheels" publication.

1. Harbor Freight (Kidde fire extinguisher) 5 lb. \$39.95
2 lb. \$19.99
2. Home Depot (Kidde fire extinguisher) 5 BC \$12.88
UL 711A \$19.97
10 BC \$18.98
3. Menards (Kidde fire extinguisher) 10 BC \$15.48
(Red and White brand) \$16.62
4. Fleet Farm (Kidde fire ext. Multi purpose) 5 BC \$12.79
1A 10 BC \$17.44
(Kitchen Basic) \$18.64

From the Pool Committee

GLASS CONTAINERS: A friendly reminder that there is NO GLASS of any type allowed in the pool area at any time due to the significant dangers that broken glass can cause not only to those in the pool area but it can also cause significant damage to the pool structure, filters and pool floor.

Please be sure all liquids (no food) brought into the pool area are sealed and in shatterproof materials such as plastic. If you see someone with glass in the pool area, please report this to someone in the main office.

Here are 3 easy and helpful tips for applying sunscreen:

- 1. Lay it on thick.** Use a tablespoon of sunscreen (of at least an SPF 25) on your face, and about two ounces for your body. Unless you slather on a thick layer, you're probably just getting an SPF 10 out of your SPF 30.
- 2. At least 20 minutes before you go into the sun or water apply sunscreen.** Chemical sunscreens need time to be absorbed into the skin to work. So they require a head start of about 20 minutes. Applying sunscreen and jumping immediately into the pool is ineffective as it all washes off the second you jump into the pool which can lead to clogged filters and stronger chemicals needing to be added to the pool.
- 3. Reapply sunscreen every 90 minutes.** Sunscreens become unstable (that is, ineffective) when exposed to sunlight. Ironic, right? That means the stuff simply stops working, so you have to use more every couple hours.

2017 Hole In One Results

The 24th Annual Hole in One contest was held on July 1st from 11:00 am to 4:00 pm. We had 233 participants and lots of spectators enjoying the contest and the Tacos in a Bag.

To Qualify, Men had to be inside a 15' circle, Women & Juniors inside a 30' circle. There were 14 men, 8 women and 2 juniors who qualified. There were no Holes In One. The qualified winners are below:

<u>Men</u>	Lot	Measurement
Dave Chapman	235	3' 9"
Duffy Hansen	110	4' 1"

Mike Roo	243	4' 2 1/2"
Bill Penning	173	4'4"

Women

Jan Bishop	212	5' 9"
Theresa Oberloh	223	8" 6"
Ellie Bergland	336	10' 7"
Jan Bishop	212	11' 8"

Junior

Emily Troche	137	6' 2"
Jack Cornell	302	13' 11"

Congratulations and thanks to all who played and all who helped. As always, this event could not be done without all the volunteers that come to help. Special thanks to Doug Johnson for all his help and chairing the event from 2009 to 2016.

John Boehme, Chairman

Update on Give 'n Take

Wow! Things are hopping at Give 'n Take!

By now you have probably noticed that we are no longer open on Wednesdays due to the lack of volunteers for that day. So, we added additional time to Saturdays and are open from 8:00 – 11:00 am on that day only.

Our Building Fund continues to grow through various fundraisers – selling ice cream at Bingo, beverages at Funkhana, the Carnival, and the 50's & 60's dance, member donations, as well as proceeds from the dance itself. Speaking of the dance, it was a rousing success! Thank you to all who attended and helped sell snacks, and a special thanks to Phyllis Roalstad and Tami Rangel for organizing the event, and to Don Botz for supplying the music. We are now over halfway to our goal for the new building!

We also want to thank all those who have stepped up to help while Diane goes through her chemotherapy. We truly do appreciate it!

Remember to donate your CLEAN, working, gently used items, but please, **no after hour donations.**

Due to space limitations we cannot accept the following:

- Electronics (TV's, stereos, speakers, VCR's etc)
- Phone and phone cords
- Microwave ovens (unless you are willing to pick it up again on the same day if no one takes it)
- Any furniture larger than a small table or nightstand
- Gasoline containers
- Oils or chemicals
- Shoes
- Clothing
- Large items

Again, thanks to everyone who has helped make Give `n Take such a huge success!

Mary Greve and Diane Caouette, Give `n Take

Happy
Anniversary

Save the Date!!!

The 40th anniversary celebration of the establishment of TCCOM will be August 4th and 5th, 2018. Events will include a street dance, catered dinner, and other fun activities.

- Thank you to all that worked at **the 50's-60's dance** and the preparation that went into making this a great event. A special thanks to Don Botz for being our DJ for the dance. He did a fabulous job choosing tunes and taking requests. If you were not there, you missed a fun time and we raised a lot of money for Give 'n Take. The two winners of 50/50 generously gave their winnings back to the Give 'n Take fund. Don't we live in a wonderful park? Thank you to all who attended and made this dance so much fun.

Phyllis Roalstad and Tami Rangel

- Thank you to the 400/900 rows for all the volunteer time that made **Taco Night** in June so successful! We need co-chairs for the 2018 June Taco Dinner. We have lots of notes and will gladly assist.

Sue Beaudette and Deb McColgan, co-chairs

- I would like to thank everyone who chaired and volunteered at the events/activities that have been held in the park so far this year. Last night I golfed at our local golf course with someone who had visited a mutual friend over the 4th of July weekend. She was just amazed at how many different things there were to do in the Park. She said her family had a great time and everyone was really friendly. There will be lots of great events happening the second half of the season. Be sure to check your calendars.

Theresa Oberloh, Activities Chairperson

Looking Back.....July 19th, 2003, the 25th year celebration of TCCOM

Curious about the history of TCCOM, the editor delved into the Wheels archives and came upon an article about the 25th year celebration of the Park. (August, 2003 Wheels).

The day began with coffee and doughnuts in the morning, with serving done by Joann Kocon, lot#269. The program in the afternoon included a medley of patriotic songs sung by the TCCOM Choir, directed by Burt Johnson, lot#427. The accompanist was Karen Ouren, daughter of Burt and Joann. Karen also wrote the words and music to "Another Summer", written to commemorate the Park.

Mae Gunderson presented the park with the flag honored at Myron Gunderson's funeral. Mae and Myron were original owners, and Myron was a long time chair of the Buildings and Grounds Committee. The choir sang "It's a Grand Old Flag" as Mae presented the flag to the past president of the Board, Ray Olson.

The 30 original shareholders in the Park since 1979 were introduced. Looking over the list, familiar names from the current membership were spotted:

Betty Arseneau, Dale and Ellie Bergland, John and Twila Blackowiak, Susan Gustafson, Larry and Peggy Horwedel, Bernie and Betty Johnson, Harold and Yvonne Kastens, Betty Mueller, Dawn and Norm McCarthy, Don Ross, Jim and Donna Wimmer, and Warren Wise.

The program concluded with more songs and a solo of "God Bless America" by Paige Ziegler followed by the entire audience joining in. The day ended with a dance in the evening.

A commemorative wooden plaque was hung in the clubhouse after the event. Can you find it?
